

Pilot Scheme on Quiet Renovation

To minimise noise nuisance to nearby residents during domestic renovation, the Environmental Protection Department (EPD) is rolling out a two-year pilot scheme to test out the application of quiet renovation in Hong Kong. Under the pilot scheme, quiet renovation equipment and good practices will be introduced through a series of seminars, site demonstrations, along with a free quiet renovation equipment rental scheme in order to raise awareness and promote the use of such equipment.

Handheld Concrete Crusher

Portable Breaker

Handheld Diamond Coring Machine

Handheld Direct Fastening Machine

Handheld Brick Cutter

Wall Chaser

Seminars & Site Demonstrations

The Scheme involves a series of seminars and site demonstrations to promote the use of quiet renovation equipment.

Free Quiet Renovation Equipment Rental Scheme

More information is available now on the webpage

The equipment booking platform is designed for the public by facilitating the booking process of quiet renovation equipment. Quiet renovation equipment can be used for concrete removal, ceramic tiles removal, hole drilling /indentation, anchor fixing, concrete/brick cutting, and grooving/channelling.

Dear Sir/Madam,

Invitation to a Briefing on the Pilot Scheme on Quiet Renovation

Domestic renovation noise has been a concern in the community. The Environmental Protection Department is launching a Pilot Scheme on Quiet Renovation to promote the use of quiet renovation equipment and encourages the setup of specific house rules for good and quiet domestic renovation practices.

The Pilot Scheme will be ongoing until 2023. There will be a series of seminars and site demonstrations on the use of quiet renovation equipment. A free rental scheme will also be launched to encourage utilization of the above equipment.

In this connection, we cordially invite members of your esteemed organisation to join our upcoming event, a "Briefing on the Pilot Scheme on Quiet Renovation":

The Briefing will be held online. Detail and registration link are as follows:

Date: 24 January 2022 (Monday)

Time: 15:30 - 17:00

Format: Zoom

Language: Cantonese

Free registration:

https://us02web.zoom.us/webinar/register/WN_TEkTwjU_QiWLI-hozdoywQ
(registration starts from 12 Jan 2022)

This briefing will introduce the various contents of the Pilot Scheme, and includes the following two broad topics:

Seminars & Site Demonstrations

These events will cover:

- Introduction of good management practices and quieter alternatives for various renovation processes
- Site demonstrations which allow hands-on experience of using quiet equipment

Free Quiet Renovation Equipment Rental Scheme

Various types of quiet renovation equipment will be offered free of charge. Details of the rental scheme will be provided during the briefing session.

We would be grateful if you could encourage members of your organization to attend this briefing session and look forward to your support and participation in this Pilot Scheme.

We have attached the Scheme poster for your reference and distribution. Should you any queries, please do not hesitate to contact us.
